PRESENTS

## FANTASTIC VOYAGE

15 Oct 2011 - Depart 11:00 AM

On 15 Oct 2011 the Oley Valley Cycling Group will conduct their annual bike tour for family and friends - **FANTASTIC VOYAGE 26**. Start and finish will be at the "Union Jacks" Inn on the Manatawny, on Manatawny Road, somewhere east of Oley. The tour will have two routes: a short "Sprint" of 4.25 miles and a longer "Marathon" of 20 plus miles. Please plan to gather at the Inn by 10:30 AM to receive route instructions, for idle chat and last minute equipment checks. Tech Support will have some tools, pump and cold water. Fine food and drink is available at your cost after the tour at the Inn on the Manatawny.

**NOTE: that due to the simplicity of this event it is subject to last minute rescheduling due to ridiculous weather.**

Directions: From the town of Oley, on State Route 73, drive east on Route 73 toward Boyertown, about 2 miles to the Traffic Light at Covered Bridge Road, also the Covered Bridge Inn on right. Continue thru this intersection on Route 73, approximately 1/4 mile and take the first road to the right, Manatawny Road. Continue a short piece to Stop Sign and turn right to stay on Manatawny Road. About 2 miles and Inn is on Right, set well back from road.

From the south, pick up State Route 662 in Douglassville off State Route 422. Stay on Route 662 until Route 73 in Oley. Turn Right and head toward the Traffic Light at Covered Bridge Road.
